wide payments
& store orders.**

How does TapTuck work?

Create your free school merchant account today!
Display your merchant QR Code for students,
parents and teachers to scan with the TapTuck app.
Students not allowed phones at school? No problem!
Merchants can scan students' TapTuck cards
for safe, contactless payments!

Lets get started...

01

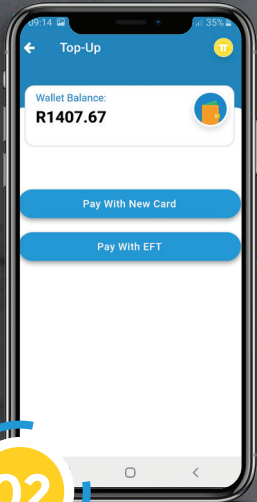

Download the App.
Sign up with your mobile number
and receive an OTP. Voila!
You are registered.

03

Add a Child

Set name, grade, class and
dietary requirements.
Scan their TapTuck card to
link to their profile.
Set daily and weekly
spend limits for each child.

02

Top up Your Wallet
Safely and securley with
EFT or credit card.

04

Pre-Order or Pay

Skip the queues and pre-order
healthy meals, stationery,
uniforms, sport equipment
and more.

Pay for school events!

Use your TapTuck card to
purchase items from
any school merchant at
any outlet or event.

How easy is it to manage my funds?

You can view all your transactions
in an easy to use merchant dashboard.
Cash-out at your convenience,
and funds will reflect in your
account within 48 hours.

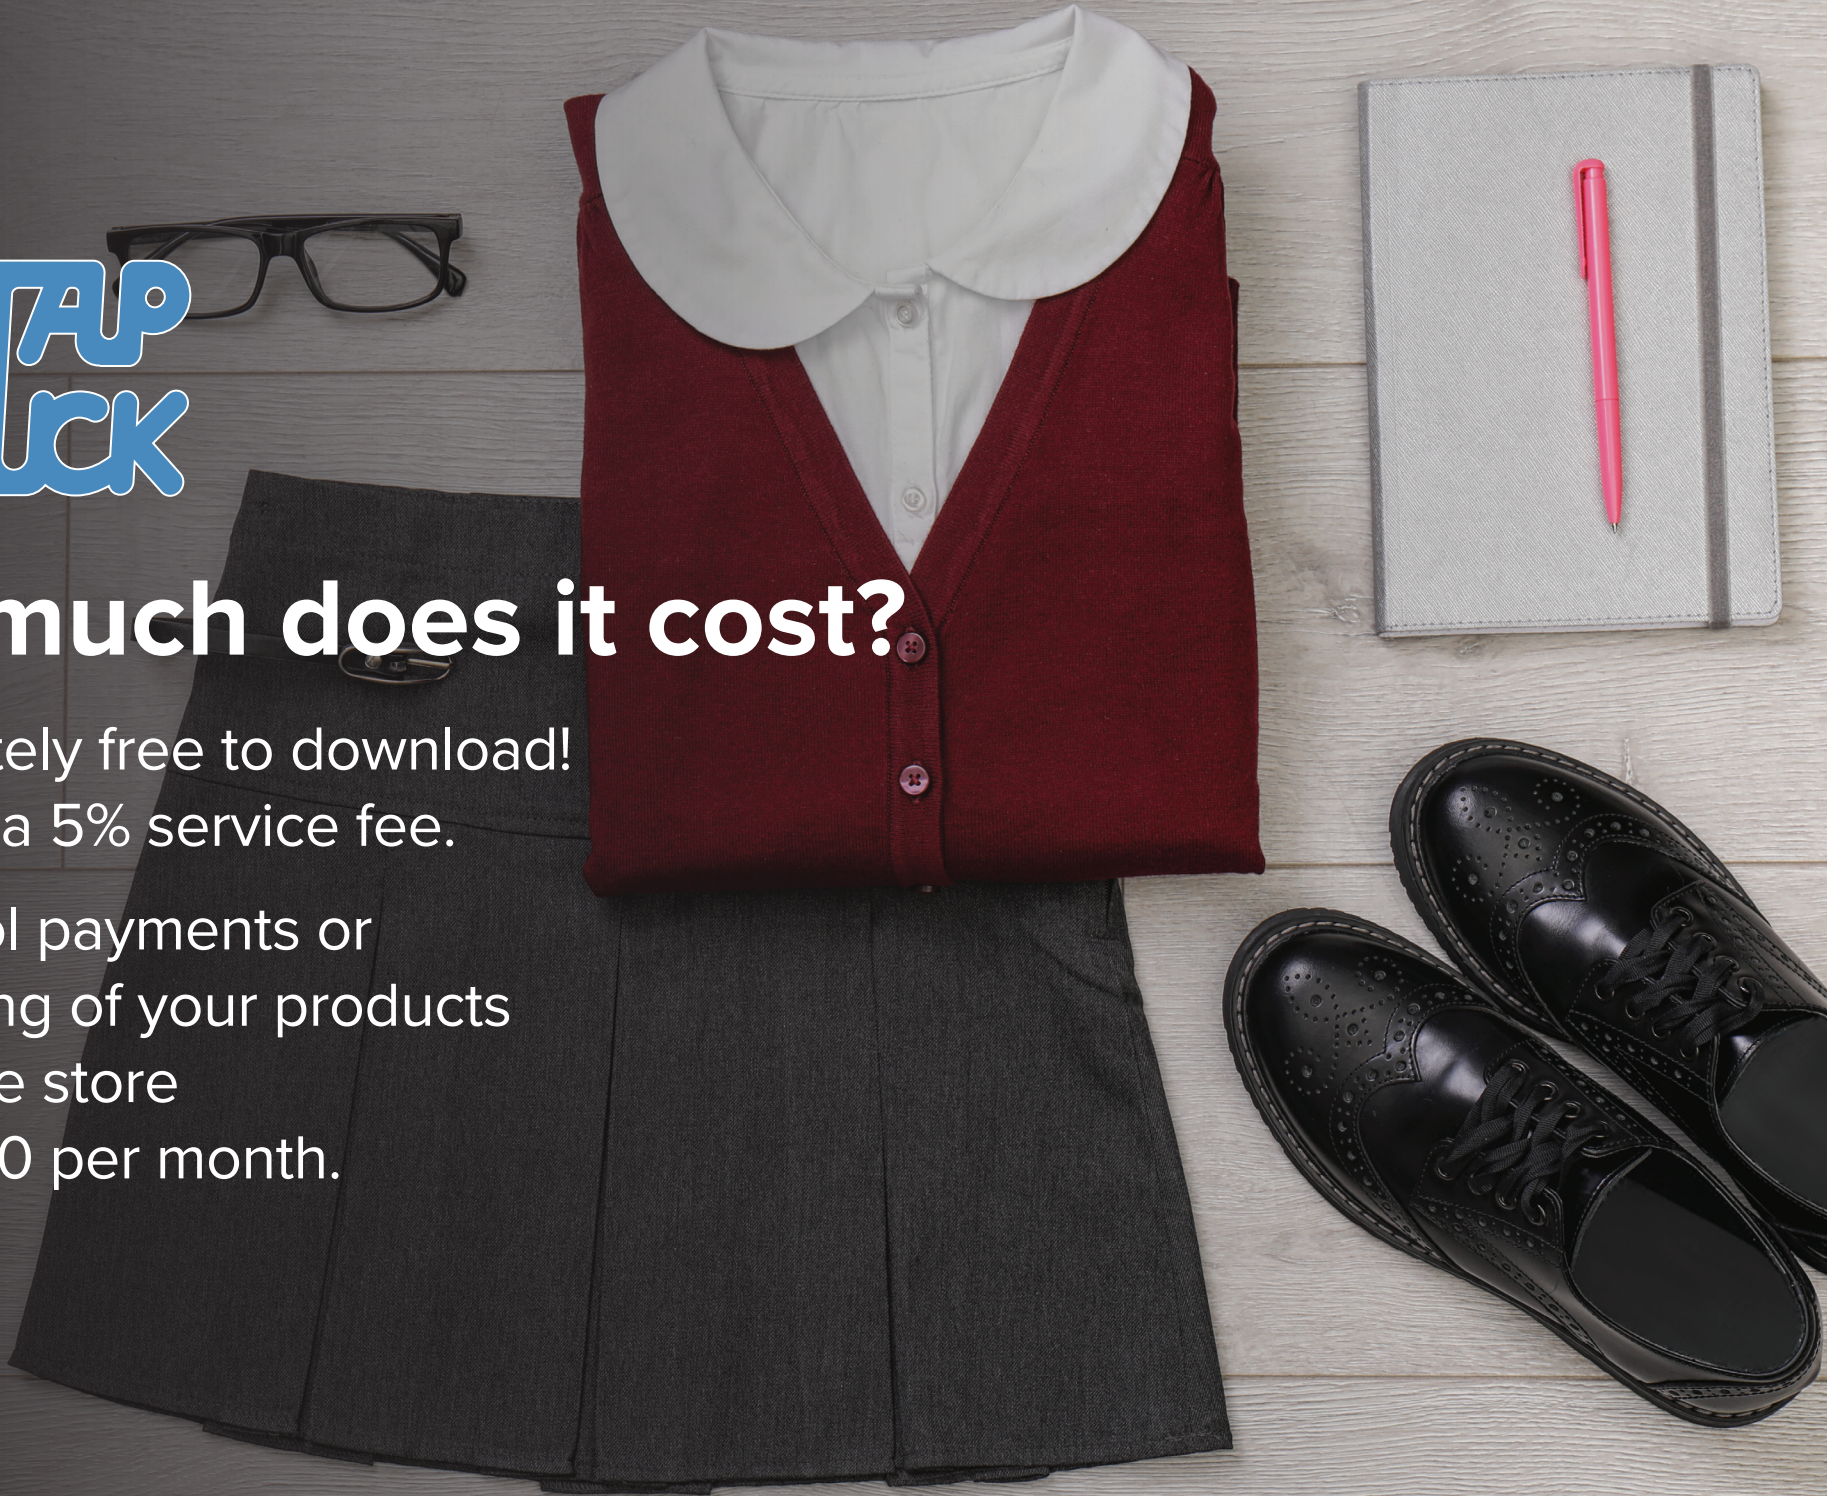

How much does it cost?

It's absolutely free to download!
Users pay a 5% service fee.

Add school payments or
pre-ordering of your products
in an online store
for R287.50 per month.

Safe & secure.
